## The Susan G. Komen for the Cure® Story The Power of a Promise

Founded in 1982 by Nancy G. Brinker to honor the memory of her sister, Susan G. Komen.

### Our Vision

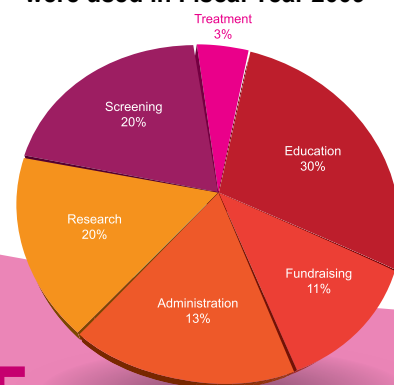

Our vision is simple: A world without breast cancer. To fulfill our vision, Komen has invested over \$1.25 billion, making it the largest source of nonprofit funding dedicated to the fight against breast cancer.

### Our Work

Susan G. Komen for the Cure® has been in the forefront of the fight to end breast cancer since its inception in 1982. Since 1997, the local Chicagoland Area Affiliate of Susan G. Komen for the Cure® has awarded nearly \$8 million towards the fight against breast cancer by funding grassroots breast health education and breast cancer screening and treatment projects, as well as national research.

Seventy-five percent of the net proceeds raised by Komen Chicago are dedicated to fighting breast cancer locally in the Chicagoland metropolitan area. The remaining 25 percent of net proceeds raised are contributed to the Komen National Breast Cancer Research Grants Program.
